

BRANDON BUZZ CARD-instructions

The DBA, the Brandon Chamber and the Town of Brandon are excited to present our “get out to shop” program to encourage you and your friends and neighbors to support businesses in town. We are providing wallet size cards that will have a place to mark the card with a punch that is unique to each business. When you present this card after a purchase of \$10.00 or more you’ll receive your special punch on your card. **ONLY ONE PUNCH PER VISIT!**

The **prizes** for a completely filled card (10 spaces) are as follows:

- ❖ Filled card with **no more than 2 punches per business per card**-(this helps to make sure folks get into at least **5** businesses) **\$20.00** in Brandon Green and **2 tickets for the \$2019.07 cash prize** drawing. The 2019 final drawing will also include \$50 gift certificates from Brandon businesses. (We already gave away \$2019.07 at the end of 2018!!)
- ❖ Filled card with **10 punches from 10 different businesses**- (this is even more incentive to go to **10** different businesses) **\$20.00** in Brandon Green plus **10 tickets for the final drawings**.
- ❖ You should have received a “game” board in the mail with 10 spaces for filled cards. Attach 10 of your filled cards to the game board and receive an additional 50 tickets for the two drawings!
- ❖ Completed Buzz cards and game boards **MUST** be redeemed with Bernie at Carr’s Gift Shop by the card holder.
- ❖ Go to Brandon.org to print out game boards and print a list of businesses and their individual punch style!

This program will run through the 2019 construction season. Any questions please contact Bernie Carr- email info@brandon.org or call 247-3744.

This is an effort to encourage shoppers to get into their friends and neighbor’s businesses more frequently, as we continue to help them through the Segment 6 project ending in November of 2019.

Please do your part and maybe win some great prizes!!
